Dear Mr. Browning,

I am not the kind of person who often puts pen to paper but feel in this instance it would be remiss of me not to register our thanks to you and your colleagues for the superb service you have provided to McCain during the past couple of weeks.

No one could have done more to deliver, and for us your Company's name was most appropriate - we needed a Barcoding Solution and you certainly provided that!

On behalf of McCain Foods, thank you very much for your efforts. We are a growing business and your performance will not be overlooked as we move forward.

Yours sincerely,
